We check into the Holiday Inn Cincinnati Airport for a two-night stay featuring an indoor pool. (L)

Saturday, May 4th

It's a quick drive to the Ark Encounter, a one-of-a-kind biblical experience! A full-size replica of Noah's Ark, the Ark is built according to the dimensions given in the Bible. The Ark brings the Bible to life and presents a number of historical events centered on the Genesis Great Flood! From the moment you enter the towering Ark, your transported back in time to meet Noah and his seven family members, who lived aboard the Ark and cared for all the animals. You'll view the living quarters and dozens of exhibit bays in this five story tall ark. Later we visit the Creation Museum. This unique museum presents an account of the origins of our universe, life and earth and man's early history according to a literal reading of the book of Genesis. Our self-guided tour takes us on a journey through a visual presentation of the history of the world based on the "7 C's of History: Creation, Corruption, Catastrophe, Confusion, Christ, Cross and Consummation." After our powerful examination we will return to our Inn. (B)
